report date 20 Dec 2012

comparison date 13/12/2012

The last sale of the year saw vealer numbers half comparative to the previous sale. There were less heavy weight calves penned this week with medium and lightweight classes accounting for the majority of numbers. Heavy weight steer and heifer classes remained similar to the previous sale under a similar feeder demand, while an increase in demand from both feeders and restockers saw all medium and lightweight classes lift in value.

The next sale at this market will commence on the 3rd of January 2013.
