

## AuctionsPlus Market Comment week ending 8 Mar 2013

Sheep and lamb numbers tightened up slightly this week, totalling 34,703 head. With three feature sales, cattle numbers jumped to 7,948 head, our biggest week of the year thus far. After last week's rain many were anticipating a jump in prices, which we saw in both our sheep sales and for weaner cattle, however the big numbers of heifers and cows offered this week were not so lucky.

Merino wethers were the big movers this week; with numbers at the heavier end in particular tightening, and processor rates having gone up rapidly in the past couple of weeks, restockers chasing well grown, better quality woolgrowers have had to follow suit. Several lines of Merryville blood wethers out of Boorowa met fierce competition from processors, exporters and restockers alike; prices ranged from 308c to 321c including the value for a two inch skin, with estimated dressed weights of 21kg – 25kg. In the same offering, restockers paid \$68.50 for hoggets weighing 46kg (liveweight), and further south in Victoria 58kg three year olds with an inch on their backs sold for \$58. Processors were also more active on older ewes this week, with ewes estimated to dress 20kg selling for 225c-241c with 1.5-2" of wool.

Merino ewe prices continue to slowly improve, with Spring '11 drop ewes this week ranging from \$41 to \$93, and Kongal Park blood two year olds in lamb to Merino out of Kaniva making \$105. Older ewes were again hovering either side of \$50, with joined ewes at the higher end, making to \$65 for five year olds in lamb to Border Leicesters. Store lamb prices also firmed slightly on last week, following the trend for prime lambs in the past few weeks. 39kg second cross wether lambs in Harden sold for \$80.50, 35kg first crosses at Lightning Ridge made \$72.50, and in Tasmania first crosses weighing 32kg sold for \$55.50 plus freight to the mainland.

Weaner and yearling prices continued on their steady rise, and there were plenty on offer over three sales on Friday. The only steers offered out of Queensland were Angus & Black Baldy weaners, making to \$655 or 202c for the heavier draft, and the lighter steers sold for \$610 or 213c. In NSW Angus weaner steers 250kg-300kg sold from 212c to 233c; and crossbreds in the same weight range made 191c to 206c. Heifers were lagging by 20-30c on comparable steer offerings.

Passed in rates were higher on cows & joined heifers today, affected partly by an influx of numbers. Cows with calves made to \$1200 for young Angus & Angus crosses with Angus calves, and to \$820 in QLD for Crossbred cows with Angus & Charolais calves at Cunnamulla.

Tuesday's Team Te Mania sale saw cows with calves selling from \$1220 to \$1430, and joined females from \$795 to \$1020. The Walcha Female Sale sold joined heifers, mostly Angus or crossbreds, from \$750 to \$900, and Angus & Angus cross cows made \$820 to \$940. The Dulverton Angus Genetics Female sale saw rising two year old heifers make from \$850 to \$1180, and 3-4 year old cows sell for \$1300.
