

AuctionsPlus market comments week ending 6 Sep 2013

Sheep and lamb numbers were back by around 7,000 this week to total 25,911 head, while cattle numbers were up 2,000 to finish at 7,599 head, including one feature store sale. Offerings of better quality stock out of Queensland resulted in higher clearance rates out of the north than we have seen in recent weeks. Over 5,000 sheep from QLD were listed in Tuesday's sale for full clearance, with buyers from QLD, NSW and SA. Quality of Merino ewe offerings was mixed, and young ewes were hard to source. Out of SA, White River blood 16 month olds sold for \$117.50; and out of southern QLD, The Yanko blood ewe lambs made \$91.50. Mixed age ewes made to \$85.50, and older ewes sold from \$44.50 to \$70. First cross ewes sold this week were all Spring '12 drop lambs, with prices from \$98 to \$140.50 for well grown lambs out of Coonamble. Most store lambs on offer this week were White Suffolk first crosses, with prices ranging from \$55 for the lighter end at 28kg, and topping at \$76.50 for 38kg lambs. Border Leicester/Merino lambs out of Coonamble weighing 31kg sold for \$69.50. Quality steers out of QLD were the highlight of today's Eastern States sale. Weaner steers in QLD ranged in price from 169c to 188c, with the top price of \$488 for Angus cross steers out of Surat weighing 259kg. Brangus cross yearling steers out of Proserpine sold to 148c or \$440, and the heifer drafts made to \$365 or 129c. The job was tougher in NSW; pass in rates were high but there were a few standout prices. Light Angus weaner steers made from 167c to 206c, and yearling steers over 300kg made 171c to 173c. 312kg Angus/Hereford steers out of Wagga sold for 207c, and further south in Hamilton Charolais/Angus/Hereford steers weighing 282kg made 200c, with the 267kg heifer draft selling for 187c. Female sales remain subdued with PTIC heifers selling from \$460 to \$475, and cows from \$500 to \$575. The top cow and calf price of \$810 was achieved in the Shorthorn for Profit feature sale.
