

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Great Southern Saleyard

report date 04 Jan 2013

Yarding Change $\frac{278}{0}$

comparison date 28/12/2012

The small trade sale was predominately made up of yearlings and cows with all other classes having minimal representation. Quality throughout the categories was again very mixed. Processor demand on heavy weight steers and heifers remained moderate with prices similar to pre-Christmas levels, while trade weight yearlings continued to record a similar restocker and feeder demand.

Cow demand from the trade remained moderate also, while restockers continued to operate on younger lines including store drafts.
