

## Feeder report - cattle

Market information provided by MLA's National Livestock Reporting Service

# Eastern States

report date 04 Jan 2013

The majority of contributors are taking a wait and see approach on prices as the resumption of markets continues across the eastern states. One contributor did lift rates 10¢/kg cwt to secure the better quality lines, while one in Victoria eased by 5/kg cwt.

In physical markets numbers were reduced as not all selling centres had commenced operation.
