A good quality yarding containing 11 heifers, 486 cows and 42 bulls sold to limited Victorian processor competition at generally lower prices. A South East processor merely looked on despite some excellent quality heavy Angus cows sparking more interest in the last run.

The small number of heifers offered sold from 113c to 130c to be 3c/kg cheaper. Most 3 to 5 score medium and heavy beef cows sold from 102c to 127c/kg. This tended to leave most prices unchanged to 5c cheaper, and generally 205c to 242c/kg cwt. The D2 sales of mainly medium weight beef cows ranged from 86c to 105c at improved levels despite no restocker activity on those small numbers, while the heavy six scores attracted prices from 76c to 118c/kg. A very good quality run of A and B-muscled heavy bulls sold to a much weaker trend from 100c to 110c with an isolated sale at 120c to be 20c to 24c/kg cheaper.
