

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

CTLX

report date 22 Jan 2013

Yarding Change ³²¹⁰
-10

comparison date 15/01/2013

Consignments remained similar and quality was mixed as the majority of the younger lines were suitable for restocker and feeder competition. Vealers were limited in supply while good runs of yearling together with fair numbers of heavy steers were penned. Cow numbers nearly halved compared to the last market for around 500 offered and the market on average sold firm to cheaper.

Medium weight yearling steers to feeder and restocker competition remained firm to sell from 160c to 175c/kg. Heavy weights to the same orders eased 2c to top at 172c/kg. Yearling heifers were helped by restocker orders from the northern region. The medium weights to feed and restockers remained similar in value to range from 132c to 154c/kg. Heavy weights to the butchers also sold at equal prices as the best reached 170c/kg.

Heavy weight grown steers and bullocks remained firm to 2c cheaper as prices ranged from 152c to 171c/kg. The heifer portion lost 2c to reach 153c/kg. Cows found the competition tougher to slip from 3c to 7c/kg and more in places. The plainer 2 scores averaged 105c as the better finished 3 and 4 scores ranged from 112c to 124c/kg. Bull eased back 2c to 4c as the best heavy weight reached 158c/kg.
