

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Great Southern Saleyard

report date 24 Jan 2013

Yarding Change 1405
-530

comparison date 17/01/2013

The smaller yarding was also of a lower overall average weight with fewer heavy weight classes penned and larger numbers of lightweight steer and heifer weaners penned with condition scores also lower with overall quality more mixed and generally plainer as producers get to the end drafts of their calves. There was a rebound throughout the majority of classes from the trade, feeder and restocker sectors, which recovered the losses realised at the previous market with only lightweight heifer classes remaining similar in price.

Light weight vealer steers to restock were 24c higher on 199c, while medium weight vealer steers to return to the paddock sold 14c higher on 197c/kg. Heavy weight vealer steers to feed were 12c dearer on 179c/kg. Medium weight vealer heifers were 6c lower on 155c/kg.
