comparison date 24/01/2013

It was a very small yarding due to road closures and wet wether preventing the movement of some cattle. Despite the small yarding, all the usual buyers were present and operating. Export processors paid 4c/kg to 6c/kg more for medium and heavy cows, while good quality heifers also sold well. There was not enough grown steers or bullocks yarded to give any market price indication, while a large number of grown feeder steers were penned.

Medium weight grown steers to feed reached 179c/kg and averaged between 166c and 178c/kg. The 3 score grown heifers topped at 161c and averaged 135c, down 7c/kg. The medium weight 4 score grown heifers averaged 157c, up 6c/kg, while heavy weight 4 score grown heifers sold to 163c and averaged 162c, down 5c/kg.

Medium weight 3 score cows made to 140c and averaged 137c, up 4c/kg. The heavy weight 4 score cows reached 157c and averaged 153c, up 6c/kg.
