

Over the hooks report - cattle

Market information provided by MLA's National Livestock Reporting Service

New South Wales

report date

22 Feb 2013

Contributors left their rates unchanged as the flow of cattle continues to be sufficient for current demand. Quality is still an issue, with reports of finished cattle still difficult to source across some categories.

Please note one contributor is again offering quotes for vealers and a trend is not offered.

Grade	Weight Range (cwt kg)	Dentition	Muscle Score	Fat Score	Low Price (c/kg cwt)	High Price (c/kg cwt)	Average (c/kg cwt)	Trend
