comparison date 03/04/2013

Numbers increased significantly with all weights and grades represented, along with a very mixed selection of dairy lines. A reduced field of buyers attended and not all operated fully.

Heavy cows sold to weakened demand, making from 118c to 130.6c/kg. Two and three score lines were in reasonable supply, and most buyers were eager to capture a market share. However, prices were unable to sustain last week's rates, easing 3c and up to 7c/kg. D3 medium weight lines averaged 115.4c, while the heavy D3 pens averaged 116.8c reaching a top price of 120c/kg. Good quality heavy dairy cows sold to strong demand resulting in prices lifting 5c/kg.

The mixed quality selection of bulls sold to erratic bidding and the B and C Muscled bulls made from 130c and 164.2c/kg.
