

## Feeder report - cattle

Market information provided by MLA's National Livestock Reporting Service

### Eastern States

report date 07 Jun 2013

Prices were slightly dearer across most categories, as supply starts to tighten across the eastern states. Reports suggest that with welcome rain combined with higher prices, producers are starting to hold on to supply as demand starts to lift.

Some lot feeders are reportedly fully booked with plenty of cattle in the coming weeks.

#### Domestic Paddock Sales

Category	Weight Range	Dentition	Low Price c/kg (live)	High Price c/kg (live)	Average c/kg (live)	Trend
Steers	280-350	0	170	190	179	4
Heifer	280-350	0	150	175	163	4
