

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Forbes

report date 24 Jun 2013

Yarding Change ¹³⁴¹₋₄₄

comparison date 17/06/2013

Numbers remained fairly steady and quality was similar to previous sales. There were quality lines of well-finished supplementary fed cattle offered, along with plainer types more suited to feeders. Yearlings made up the majority of the yarding and grown cattle were in short supply. All the usual buyers were in attendance and operating.

Yearling steers to feed held fairly steady. Medium weights sold from 159c to 192c, while heavy weights sold from 165c to 176c/kg. Those sold to processors received from 175c to 205c/kg. The heifer portion to feed eased 3c to 4c, selling from 145c to 166c/kg. Those to processors were 2c to 3c dearer, with medium weights ranging from 162c to 207c and heavy weights selling from 165c to 205c/kg.

Heavy steers and bullocks sold from 155c to 191c/kg. Cows were limited in numbers and prices lifted between 5c to 6c/kg. The 2 score medium weights sold from 95c to 112c, while the heavy weight 3 scores sold from 118c to 127c/kg.
