

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Toowoomba Landmark

report date 24 Jun 2013

Yarding Change 550
-400

comparison date 17/06/2013

Numbers reduced by 42% following the very large yarding the previous week. Young cattle dominated the selling pens and a consignment of well-bred lines boosted the overall standard. Only a handful of heavy grown steers and bullocks were penned along with a fair selection of cows. Buyer representation was good and restockers provided strong support on well-bred lines however lesser quality classes sold to lacklustre demand. Medium weight yearling steers to feed received a lift in prices and cows experience some improvement in places.

A fair sample of calves returned to the paddock at an average of 176c with sales to 190c/kg. The lift in quality of the vealer steers saw average prices improve to 183c, some with show ring potential made to 200c/kg. Vealer heifers mostly sold in the high 150c range with some to 175.2c/kg. Medium weight yearling steers to feed were in demand to average 177c with sales to 188.2c/kg. Heavy yearling steers to feed made to 173.2c with a small selection at 155c/kg. Medium weight yearling heifers to the trade averaged 153c and sold to 170c, while lesser quality lines averaged 132c/kg. Heavy yearling heifers to the local trade market averaged 145c and sold to 160.2c/kg.

A handful of heavy grown steers and bullocks averaged close to 160c and sold to 168c/kg. Medium weight plain cows averaged 81c and 2 scores 97c, while 3 scores mostly sold at 108c/kg. Good heavy cows made to 135.2c, to average 128c/kg. Heavy bulls made to 150.2c/kg.
