

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

CTLX

report date 16 Jul 2013

Yarding Change 2550
-100

comparison date 09/07/2013

Consignments slipped marginally and quality was fair to good. The younger cattle, especially the steer portion were well supplied, as fair runs of grown steers and heifers were penned. There were around 430 cows yarded and the usual orders competed, as the market sold to a mixed trend.

The 200kg plus vealer steers sold close enough to firm, with only breed contributing to price variations, as the best topped at 204c/kg. The lighter vealer heifers struggled in the competition and slipped 10c, as the 200kg plus pens to restockers and the processors ranged from 130c to 167c/kg. Heavy weight vealers to the butchers remained around firm, as the best topped at 215c/kg. Quality and breed lifted the medium weight yearling steers, selling to feeder orders by around 9c, as prices ranged from 170c to 207c/kg. Yearling heifers to the lot feeders lost 4c, as the heavy weight yearlings to trade orders slipped 5c/kg.

Heavy grown steers and bullocks sold close enough to firm, as prices ranged from 179c to 202c/kg. The heifer portion also remained firm to reach 182c/kg. Cows continue to improve to gain another 5c to 9c/kg. The plainer 2 scores averaged 129c, as the better covered 3 and 4 scores ranged from 130c to 158c/kg. Heavy bulls sold at similar prices, as the best reached 168c/kg.
