

## Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

### CTLX

report date 23 Jul 2013

Yarding Change 1660  
-890

comparison date 16/07/2013

Quality remained fair to good and numbers slipped. Younger cattle, percentage wise, were well supplied, with good runs of grown steers and heifers also yarded. There were close enough to 400 cows offered and the usual buyers competed in a firm to dearer market.

The 200kg plus vealer steers returning to the paddock lifted 7c, to range from 184c to 210c/kg. Vealer heifers recovered the losses recorded at the previous market, to lift 10c to 12c/kg. Heavy weight vealers selling to butcher orders reached 215c/kg. Yearling steers purchased by lot feeders sold close enough to firm, as prices ranged from 182c to 204c/kg. Yearling heifers to feed lifted 7c, to top at 186c/kg.

Heavy weight grown steers to slaughter lifted 2c, selling from 182c to 199.2c, before averaging 193c to 194c/kg. The heifer portion remained firm ranging from 160c to 182c/kg. Cows sold close enough to firm, as the plainer 2 scores averaged 126c/kg. The better finished 3 and 4 score cows ranged from 130c to 155.6c, as the best heavy weight bull reached 167c/kg.
