

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Pakenham

report date 23 Jul 2013

Yarding Change ⁴⁵²/₆₂

comparison date 16/07/2013

There were approximately 420 cows, as well as a few heifers and bulls, penned. The usual buying group attended a mixed market. There was a lift in numbers week-on-week, which was mostly in the lightweight categories. Demand for plainer quality cows eased slightly. A smaller proportion of heavyweight cows contained some good quality in places and sold somewhat dearer. A more numerous but plainer offering of heavyweight bulls sold to softer demand from processors.

Lightweight dairy cows sold from 106c to 132c, slipping 5c/kg. A limited selection of heavyweight dairy cows made between 125c and 150c/kg. Lightweight beef cows sold between 95c and 153c, slipping 1c to 2c/kg. Heavyweight beef cows made from 117c to 160c, lifting 2c to 3c/kg on most sales. Heavyweight bulls sold from 133c to 163c, slipping 5c/kg on most.
