

Feeder report - cattle

Market information provided by MLA's National Livestock Reporting Service

Eastern States

report date 26 Jul 2013

Feeder prices were relatively unchanged across most categories, trending slightly dearer in places. Some reports suggest tighter supplies are expected in weeks to come.

Quality is reportedly good for this time of year, with some well-conditioned lines still attainable.

Physical market trends were varied across most categories, up to 10¢/kg dearer in places.
