Numbers were similar as producers continue to turnoff surplus stock, while prices are favorable. It was a typical winter yarding with all weights and grades represented. Not all major export companies operated and demand was weaker over some categories.

Heavy cows sold to weakened demand with well finished cows selling 2c to 3c cheaper ranging from 144c to 160.6c averaging 151.4c/kg. The 2 and 3 score cows were well supplied and southern buyers were keen to acquire adequate numbers resulting in a dearer trend of 8c/kg for heavy lean cows. The D2 and D3 pens sold from 135c to 151c/kg. There was a mixed selection of dairy lines offered with all grades selling to spirited competition resulting in prices lifting 4c for heavy grades.

The better quality selection of bulls sold to most of the usual buyers with B and C muscled bulls selling 6c cheaper ranging from 152c to 169.2c/kg.
