A record yarding of prime cattle were offered as overall quality was fair to good with once again large numbers of grown cattle along with a good mixture of well finished trade cattle. There were still good numbers of young cattle lacking finish with a few off crops that had been depleted.

There was still solid support for trade cattle however they did finish to be 8c to 10c/kg cheaper compared to the previous weeks strong market. Vealers sold to 200c while prime steer yearlings to the processors sold from 155c to 214c/kg. Prime heifer yearlings to process sold from 130c to 211c/kg. Light weight feeder steers were firm however the heavier weights were cheaper with young feeder steers selling from 124c to 190c/kg. Heifer yearlings to the restockers sold from 76c to 148c/kg.

Grown steers were 4c cheaper with the 3 and 4 score medium and heavy weights selling from 150c to 195c with the 4 score heavy weights averaging 185c/kg. Grown heifers sold to 165c/kg. Most grades of cows were 17c to 22c cheaper with 2 scores selling from 70c to 102c/kg. The better D3 and D4 medium and heavy weights sold from 100c to 144c with the 4 score heavy weights averaging 133c/kg. There was a little added interest from southern restockers on suitable lines and they paid to 93c for plain conditioned cows and 129c/kg for better quality cows in finished condition. Bulls sold to 167c/kg.
