

## Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

### Dubbo

report date 14 Nov 2013

Yarding Change  $\frac{7320}{2520}$

comparison date 07/11/2013

Once again all the pens were full for another large yarding. There were some plainer cattle yarded however there were still good numbers of well finished cattle in all categories. Most of the regular buyers competed in a solid market.

Trade cattle to the processors were firm to 2c cheaper with vealers selling to 188c/kg. The C3 yearling steers sold from 164c to 186c while the prime conditioned heifer yearlings to slaughter sold from 143c to 180c/kg. Feeder steers were 1c to 4c cheaper with the better quality young steers selling from 143c to 184c/kg. Following the useful rains in other districts there was a little more restocker support with steer vealers selling to 170c/kg to return to the paddock.

Grown steers were 1c to 3c dearer with the C3 and C4s selling from 150c to 190c with the 4 score heavy weights averaging 183c/kg. Grown heifers were firm selling to 177c/kg. Plain conditioned cows were firm while the better finished cows were 5c/kg cheaper with reports suggesting yields are not at the levels they have been experiencing in the past. The 2 score cows sold from 45c to 116c while the better 3 and 4 score cows sold from 105c to 146c with the 4 score heavy weights averaging 138c/kg. The best bull sold for 171c/kg.
