Numbers were steady in a mixed quality offering with all weights and grades represented. The usual group of buyers was in attendance, along with several northern processors who operated on lean and heavy classes.

Well-finished cows were in greater numbers and sold to strong northern competition resulting in prices lifting 2c to average 139c/kg. The 2 and 3 score cows were in reasonable numbers and strong competition between southern and northern meat buyers pushed prices 9c/kg higher. The D3 medium weight lines averaged 126c, while lean cows averaged 118c/kg. Dairy cows were in limited numbers and made from 114c to 136c/kg. A good quality selection of bulls sold to steady demand and prices ranged from 149c to 165c/kg.
