

AuctionsPlus recorded solid clearances for both sheep and cattle with a bump in prices for both as drought busting rain fell in parts of Queensland and NSW. 52,909 sheep and lambs were offered this week, up 3,933 on last week making 101,000 head offered in the past 2 weeks. Cattle were up 804 to 5,210 head with the Jeogla and Wallamumbi Production special sale and a bumper WA cattle sale that recorded 100% clearance of the 1,408 head on offer. Lambs were well supported this week with plenty on offer and prices ranged from \$35 to an eye popping \$116. That price goes to 500 mixed sex heavy lambs ex Bothwell in Tasmania at 46.3kg live weight. Of note were two lots of 4-5 month old 38kg Mixed sex Hampshire/Merino lambs also from Bothwell, Tasmania totalling 955 head sold for \$85 or 224c/kg with both restocker and slaughter competition driving prices. First and second cross lambs between 34 and 37kg sold for \$72.50 to \$85 and while the price is only slightly better than last week, there were more lots sold at the top end of that range. Merino ewe results improved as the week went on. From Streatham in Victoria, 18 month olds with 2.75" skin sold for \$100.50 unjoined, 2-3 year olds, same skin and unjoined for \$115, 3-4 year olds at \$110 and 5-6 year olds at \$80.50. A better market for light steers less than 250kg selling for between 182-203c/kg with the top price going to 75 Angus steers ex Goulburn aged 5-7 months at 276kg and \$560 per head. In the WA sale, slaughter yearlings made 330c/kg, store steers 185 to 200c and slaughter cows sold for 336.7c carcass weight - well in excess of eastern states prices. Light heifers in the eastern states weighing up to 250kg sold for between 155-164c/kg. Medium steers from 250-300kg sold for 147 to 198c with 80 Angus Steers from Walcha aged 5-7 months and 290kg achieving the top price. The Jeogla Production sale at Armidale interfaced with AuctionsPlus saw Shorthorn yearlings selling for up to \$860/185c for 23 head at 485 kg.
