

Sheep and lamb numbers were steady with a solid 46,287 head this week, while cattle jumped by 500 to 6,094 in our regular sales. Without good follow up rain and while prices remain high, we expect numbers to remain at these levels, at least until interruptions in trade due to April's several public holidays. With lamb prices continuing to trend upward and some feature offerings, this week's sheep market had some outstanding results. A record 312 bidders and 109 guests viewed Tuesday's single sale, and there was plenty of bidding activity to keep them interested. The heavier end of store lambs offered jumped by up to \$7-\$8; lighter lambs were up and down but were less variable than last week's prices. 32kg-33kg first crosses made \$71.50 to \$81; second crosses at these weights sold for \$86.50-\$98 and the 34kg-35kg lines made \$91 to \$100.50. 36kg-37kg first crosses sold for \$94.50 to \$96, and the best price for the week was for 40kg Texel/Merino lambs selling for \$109.50 at Bombala. Several flock dispersals saw some excellent results for Merino and first cross ewes this week. At Ariah Park, young scanned-in-lamb Border Leicester Merino ewes sold for \$216, with proven breeders making to \$169.50 and older ewes \$139. At Crookwell, another dispersal of crossbred ewes sold from \$112 to \$130. Elsewhere, young scanned first cross ewes sold from \$169 to \$184. Unjoined Merino ewes offered in a dispersal at Cooma sold from \$66.50 for the five year olds to \$120.50 for the two year old draft. Joined young Merino ewes in SA made \$125, and young unjoined ewes sold from \$72 to a top of \$137 for Woodpark blood 18 month olds at West Wyalong. Old unjoined ewes made \$29 to \$57. Merino wethers also improved, with many lots reaching the mid \$60's. Lambs sold from \$30 to \$66.50, with some notable sales including the top price for unshorn, 28kg lambs out of Wagga, and \$65.50 for 32 kg lambs with a January skin out of Cooma. Hoggets sold from \$60 to a top of \$68.50 for Weona blood, 18 month olds weighing 37kg with a September skin. Two year olds made \$51.50 to \$65.50. Light steer prices were steady this week, averaging 189c, however there was a big range in prices from 145c to 229c, with lines of straight black cattle consistently over \$2/kg. Similar weight heifers sold from 126c to 200c to average 155c. The top weaner price for the week was \$590 or 236c for Angus steers in southern NSW weighing 250kg, and yearlings sold to \$620 for 347kg Angus & Charolais cross steers. Some standout results today for Angus female include four year old Bald Blair blood PTIC cows at Coonamble make \$945-\$965, and Te Mania blood PTIC heifers in Victoria sell for \$700. At Armidale, eight and nine year old Kansas blood Angus cows with calves at foot and back in calf sold for \$915. Other cow and calf units sold from \$470 to \$720.
