comparison date 31/12/2013

Numbers were similar to the last sale of 2013, with most of the usual buying group operating in a firm market. Heavy weight cows carrying good condition were well supplied, however light and medium weights were not well represented. Prices were similar to the sale of the 17th of December, with a few pens up to 3c/kg dearer as the short sale saw stronger demand close to the finish.

A few light and medium weight cows sold from 104c to 133c/kg. Heavy weight cows made between 115c and 132c to record firm averages on most and the odd sale up to 3c/kg dearer. A handful of heavy weight bulls sold between 132c and 155c/kg.
