comparison date 15/01/2014

Numbers more than halved with all weights and grades represented. A reduced field of buyers was in attendance and not all operated fully because of an oversupply of stock.

Well finished cows were in reasonable supply and prices were 3c lower averaging 119c/kg. The 2 and 3 score cows were in limited numbers and the D3 medium weight lines averaged 108c, lifting 4c/kg.

The mixed quality selection of bulls sold to a small group of buyers and bidding was subdued. The B and C muscled bulls made from 121c to 139c, a cheaper trend of 16c to 18c/kg.
