

## Over the hooks report - cattle

Market information provided by MLA's National Livestock Reporting Service

### New South Wales

report date

28 Feb 2014

Rates remained steady from the majority of contributors although one processor did lift rates across all categories. Supply has been good with the majority of processors reporting that cattle are booked well in advance despite rainfall across much of the supply areas.

Grade	Weight Range (cwt kg)	Dentition	Muscle Score	Fat Score	Average (c/kg cwt)	Trend
