comparison date 08/04/2014

Numbers fell to 400 head representing nearly 300 fewer week-on-week with the usual buying group present and operating a little more selectively than recently in a cheaper market. Quality was down overall from last week with a smaller proportion of well finished heavy cows and only a handful of heifers penned. Heavy weight cows showing good finish and yield potential sold from firm to 4c easier while the lighter conditioned cows eased 8c to 11c/kg. The small offering of heavy weight bulls sold to firm demand.

Light and medium weight cows sold from 108c to 143c falling 10c to 11c/kg. Heavy weight cows made between 117c and 166c selling firm to 4c easier on most but slipping 8c to 11c/kg for the leaner 1 score drafts. Heavy bulls sold between 137c and 162c/kg.
