Yarding Change ³²¹₀

comparison date 17/06/2014

There were approximately 290 cows and 30 bulls penned, with numbers unchanged from the last sale. Most of the usual buying group was present and operating in a dearer market as one regular export processor returned to the gallery after a short absence. Quality was down on last week, with a larger proportion of plain light weight cows penned. Restockers were operating on the suitable lines at the dearer prices. Most weights and grades were represented in the cows, with prices improving 6c to 8c for most, while the bull offering was fair at best, slipping 5c/kg.

Most light and medium weight cows sold from 98c to 120c/kg. Heavy weight cows made mostly between 113c and 145c/kg. Restocking cows sold between 106c and 119c/kg. Heavy weight bulls made from 140c to 175c/kg.
