comparison date 08/07/2014

There were approximately 155 cows and 15 bulls penned, representing a decrease of 220 head week-on-week. Most of the usual buying group was present and operating keenly in a dearer market. Quality was mixed with most weights and grades represented, although numbers in most categories were very limited. Buyers were keen to secure a share of the small yarding and competition pushed prices up around 4r to 6c/kg for most, as processors start to see a reduction in stock inventory awaiting slaughter. Heavy weight bulls sold to firm demand.

Most light and medium weight cows sold from 117c to 130c/kg. Heavy weight cows made mostly between 126c and 150c/kg. Heavy weight bulls sold between 160c and 188c/kg.
