

## Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

### Naracoorte

report date 05 Aug 2014

Yarding Change <sup>997</sup>/<sub>-87</sub>

comparison date 29/07/2014

There was an overall cheaper trend from the reduced field of buyers that attended the mainly store conditioned, slightly reduced offering of cattle. The yarding was made up of 615 weighed cattle, 267 cows, 35 bulls and 80 open auction young cattle.

Prices were generally 5c to 10c/kg lower for most of the young cattle offering, with only few exceptions. The better bred restocking lines sold at firm prices, as did odd sales to processors, but, overall, heifers were the most affected by the cheaper trends. The C2 and C3 yearlings mainly sold from 155c to 185c, with the few supplementary fed pens up to 198c/kg. Restockers paid to 200c, with an odd pen at 205c/kg. The D2 yearlings made 142c to 168c, with restocking steers to 179c, and an isolated pen at 184c/kg.

The C3 grown steers averaged just a little easier, with prices from 177c to 188c and odd top sales at 200c and 205c/kg. All up, the grown heifers were 10c cheaper, with the 3 and 4 scores from 156c to 176c/kg. Cow sold 5c to 6c cheaper for the 2 to 4 scores, but the leaner grades were 10c/kg cheaper. The D1 cows made 110c to 132c, D2 grades were from 128c to 136c and the 3 to 5 score cows mainly sold between 142c and 156c/kg. Heavy weight B2 bulls were very close to unchanged at 132c to 145c/kg in their average quality line up.
