Numbers were marginally lower and quality was excellent, with the bulk of the offering being well-finished high yielding beef bred cows. Leaner grades were in short supply, with all buyers eager to capture a market share. There were nine buyers at the rail this week, with the inclusion of buyers from northern NSW, Queensland and southern Victoria who all competed strongly over most categories.

Well finished high yielding beef cows sold to strong demand, resulting in a dearer trend of 13c to sell from 170c to 193.6c/kg. The 2 and 3 score cows were in limited supply and all buyers operated in this category, with prices generally 11c to 14c/kg dearer, with the D3 medium weight lines averaging 172.4c/kg.

Bidding was strongest for European bulls, while other breeds also attracted steady demand and the better B and C muscled bulls made from 170c to 192c/kg.
