Yarding Change ¹⁴⁵⁵
-498

comparison date 21/10/2014

An improved quality, reduced sized yarding of 1,397 weighed and 58 open auction cattle was yarded for the usual following of trade and processor buyers. Restockers were also active and the overall market was firm to slightly dearer in all categories.

The C2 and C3 vealers ranged from 165c to 212c with an isolated pen of B3 steers making a top of 220c/kg. Restockers paid 165c up to 186c/kg for their vealer replacements. The better quality selection of yearlings caused prices to average up to 5c/kg dearer. The steer portion made from 150c to 185c and up to a top of 195c while the heifers ranged from 150c to 182c/kg. Restockers were mainly active between 150c and 170c with the top price to 183c/kg.

Quality improved in the grown cattle yarding which assisted in price improvements for the better finished lines. The C3 and C4 grown steers mostly ranged from 160c to 175c to be firm with odd sales to 182c and one exceptional pen of C4's made a high of 188c/kg. Grown heifers sold steady ranging between 145c and 174c/kg. The few D2 fresian manufacturing steers made 148c/kg.
