

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Pakenham

report date 28 Oct 2014

Yarding Change 344
-25

comparison date 21/10/2014

There were approximately 220 cows and 20 bulls penned, representing a decrease of just 25 head week-on-week. There was one export processor absent from the regular group in a mixed market, cheaper in places. Quality was mixed with most weights and grades represented, as the middle run of D1 and D2 cows sold to firm demand. The better conditioned 3 and 4 score drafts and the lighter E muscle lines eased 4c to 5c/kg. Restockers were again operating on the suitable lines. Heavy weight bulls sold to firm demand.

Most light and medium weight cows sold from 115c to 135c/kg. Heavy weight cows made mostly between 135c and 157c/kg. Restocking cows sold between 98c and 137c/kg. Heavy weight bulls made from 163c to 187c/kg for most.
