

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Wodonga

report date 05 Nov 2014

Yarding Change $\frac{610}{60}$

comparison date 29/10/2014

Numbers were slightly higher and quality was quite good over most categories. Not all buyers attended or operated in a dearer market.

High yielding cows sold to solid southern competition, with prices 1c to 2/kg higher. The better finished well-bred lines made from 150c to 170c, while the 2 and 3 score cows were in limited supply and gained 10c/kg. The D3 medium weight lines averaged 151.7c/kg. Friesian cows were keenly sought, which resulted in a dearer trend of 10c/kg.

Bidding was strongest for heavy weight well-conditioned bulls, however prices were 2c/kg cheaper. Well-conditioned B and C muscled bulls made from 160c to 192c/kg.
