Agents yarded a slightly smaller yarding of 1,651 weighed and 42 open auction cattle in another mixed quality offering which sold to the usual array of trade and processor buyers, with restockers also active throughout the sale.

Some good quality vealer steers came forward, albeit in fewer numbers than previous weeks, and sold mainly from 174c to 190c, with odd sales to a high of 209c, to be 5c to 10c/kg easier on average. Vealer heifers also trended easier to range from 148c to 198c/kg. A mixed penning of yearling steers sold from 146c to 192c to be firm to slightly cheaper, with restockers active from 155c to 178c/kg. Yearling heifers also followed the easier trend to be 5c to 8c cheaper and sell from 135c to 170c/kg.

Some good quality grown steers came forward and sold from 151c to 185c, with the odd sale to 190c/kg. Restockers bid from 151c to 156c, with these cattle also 5c to 10c/kg easier. Grown heifers experienced the biggest drop in price to fall 10c to 20c in places and mainly range from 128c to 165c/kg. The few manufacturing steers offered sold from 135c to 141c/kg.
