

Market comments week ending 20 Feb 2015

Sheep and lamb numbers swelled to record numbers this week, totalling 100,297 head offered, including 23,000 in the Breeder and Replacement Ewe sale on Tuesday. Quality young breeders were the standout article for the week, especially those scanned in lamb. Merino wether lambs were also offered in larger numbers and enjoyed a resurgence in price.

Cattle numbers remained high at 11,438 though a shift in the market saw breeders out of Queensland attract less competition than recent weeks – though with unfortunate timing a significant weather event may have kept some buyers occupied during this morning's sales. Conversely results were improved in the southern states.

Store lambs prices were variable on last week, with the lighter end steady but heavier lambs back around \$5. 29kg-31kg lambs sold from \$80 to \$85, 32kg-33kg lines made \$72.50 to \$95, and 34kg-36kg drafts sold from \$89.50 to \$98. 37kg-38kg mixed sex lines made \$84 to \$105, 40kg-41kg Coolalee cross lambs sold for \$80-\$81, and the top price was \$106 for 42kg White Suffolk/Merino lambs at Euroa.

Across all sales there was an upturn in breeder ewe prices. Unjoined Merino hoggets sold from \$55 to \$157, and young ewes joined to terminal sires made \$150 to a top of \$168 for rising two year old Gum Hill blood ewes in lamb to Suffolk. Unjoined aged Merino ewes made \$42 to \$136 averaging \$82, and the scanned portion made \$95 to \$146. Border Leicester/Merino ewe lambs were plentiful this week and sold from \$101.50 to \$161 with an average of \$132. 18 month olds in lamb to Poll Dorset in southern NSW were the top price of the week at \$240, and other joined first cross ewes sold from \$81 to \$188.50. Merino wether lambs sold from \$55 to \$95.50 to average \$72. The top price was for May/June drop lambs shorn in September weighing 47kg.

As the autumn weaner season looms, numbers are steadily increasing and as the season has delivered plenty more weight in these early turnoff weaners than in the past couple of years. Most weaner steers were an attractive backgrounding prospect, with a few hitting domestic feeder weights. Cents per kilogram prices for weaner heifers were positive, with yearling heifers back for all but heavy lines approaching 400kg. Light steers under 250kg sold from 233c to 292c to average 267c, down 10c on last week, and heifers averaged 211c. A large offering of 250kg to 300kg steers sold from 223c to 301c, averaging 264c to be down just 2c, and included some standouts such as \$805 for 296kg Droughtmaster Steers at Emerald, and \$775 for 257kg Angus steers at Cootamundra. Weaner heifers in this weight range averaged 234c. 300kg-350kg steers made 238c-259c to average 247c, up 5c on last week with the majority being weaners, and heifers averaged 211c. Heavy Angus feeder steers out of Central NSW weighing 467kg sold for 260c. Heifers weighing over 350kg made 218c to 233c to average 226c. Strong results for breeder cattle in primarily in NSW saw PTIC yearling heifers sell from \$850 to \$1230. As part of an offering of top quality young cows out of central NSW, 2012 drop females pregnancy tested for their second calf sell for \$18,10, with the slightly lighter draft making \$1710 and the three to four year olds making \$1580. Young cows with calves at foot sold from \$900 to \$1180, and mixed age lines made \$1000 to a top of \$1200 for Charbray and Brahman females in central QLD. On Friday 27th March AuctionsPlus will hold the Farm Gate Prime Lamb Sale. Open up your lambs to auction competition while maintaining many benefits of direct selling.
