comparison date 07/01/2015

Numbers were significantly higher and quality was very good across all weights and grades. Buying competition was strong with several buyers representing major processors from Northern NSW and Queensland. Most of the usual southern meat companies were in attendances, however not all of the southern buyers operated fully. It was a much dearer market over all weights and grades with bidding intensifying for leaner grades.

High yielding cows sold to stronger demand which resulted in a dearer trend of 23c/kg. The better finished lines made from 190c to 218c/kg. The 2 and 3 score cows were in reasonable supply and this category sold up to 26c higher with prices ranging from 161c to 205c/kg. Friesian cows were in greater numbers and reached a top price of 184c/kg.

Bidding was strongest for heavy well shaped bulls and prices were up to 50c/kg dearer. Well shaped heavy B and C muscled bulls made from 190c to 238c/kg.
