Numbers were noticeably higher and quality was very good across most weights and grades. Buying competition was weaker over all categories. Major processors from Northern NSW, South Australia and Queensland were operating however most southern buyers made limited purchases in a cheaper market.

Well finished cows sold to weaker demand which resulted in a cheaper trend of 17c to 23c/kg. The better finished lines made from 174c to 200c/kg. The 2 and 3 score cows were in reasonable supply and this category sold to fluctuating price trends owing to the limited activity from southern processors. The D2 and D3 cows made from 138c to 188c/kg. Friesian cows were in reasonable supply and prices were 22c to 40c/kg lower. There was several store orders in place for plainer light weight cows and buyers paid from 138c to 174c/kg.
