Numbers were similar and quality was mixed with all weights and grades represented. There was a smaller gallery of buyers operating in a cheaper market.

Well finished cows made up a sizable portion of the yarding, with good quality lines selling 6c/kg cheaper. The better finished lines made from 172c to 185.6c/kg. The 2 and 3 score cows were in reasonable supply, and competition weakened considerably, resulting in a cheaper trend of 12c/kg. The D2 and D3 cows made from 154c to 177c/kg. Friesian cows were in limited supply, selling from 143c to 162c/kg.

Bull quality improved with more weight in the offering. Well shaped heavy B and C muscled bulls made from 170c to 220c/kg.
