Cow numbers increased from those penned at last week's combined sale and quality was mixed across some weights and grades. There was a larger gallery of buyers operating in a dearer market.

Well finished cows made up a substantial portion of the yarding, with high yielding beef cows selling 25c/kg dearer. The better finished cows made from 192c to 224c/kg. Two and three score cows were in reasonable supply and competition strengthened significantly, resulting in prices lifting by 34c/kg. The D2 and D3 cows made from 166c to 218c/kg. Friesian cows were in limited supply, selling from 159c to 200c/kg.

Bull quality improved with more weight and shape in the offering. Well shaped heavy B and C muscled bulls made from 195c to 235c/kg.
