

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Pakenham

report date 26 May 2015

Yarding Change ⁵³⁵/₅₈

comparison date 19/05/2015

There were approximately 480 cows, 30 heifers and 25 bulls penned, representing an increase of 60 head week-on-week. The regular processor and restocker attendees were present and operating in an easier market. Quality was plainer than last sale, with a larger proportion of lighter weighted and light conditioned cows and many showing the effects of the cold weather. There were a handful of well finished grown heifers which sold firm. Cows eased 4c to 7c on most sales, while the heavy weight bulls slipped 8c to 10c/kg.

Heavy weight grown heifers showing good finish sold from 220c to 252c/kg. Most light and medium weight cows made between 158c and 192c/kg. Heavy weight cows sold mostly between 175c and 231c/kg. Heavy weight bulls made from 225c to 255c/kg for a plainer run.
