

## Over the hooks report - cattle

Market information provided by MLA's National Livestock Reporting Service

### Victoria

report date

05 Jun 2015

Prices remained fairly steady week-on-week, with the yearlings and grown steers edging just marginally higher. Cows came back 1¢/kg cwt on average, while the bulls remained firm. Supply remains steady but reports again suggest that quality continues to decline and finished cattle are hard to source.

Grade	Weight Range (cwt kg)	Dentition	Muscle Score	Fat (mm)	Average (c/kg cwt)	Trend
<b>Yearlings</b>
