Yarding Change 1851
704

comparison date 30/06/2015

Numbers rose sharply as agents yarded 1,851 head of live weight and open auction cattle in the first sale of the new financial year. Quality generally improved as these cattle sold to the usual array of trade and processor buyers. Restockers and feeders were also present and active as prices were generally firm across the market.

A large range of yearling steers came forward and the trade purchased from mainly 272c to 318c, with a high of 334c/kg being reached in an isolated sale, to be firm on last week's rates. Restockers and feeders were very active as feeders sought supply ranging from 290c to 316c to be firm in price with restockers active from 261c to a high of 315c/kg. Yearling heifers ranged from 256c to 324c to be firm, with restockers and feeders active mainly from 230c to 290c/kg.

Grown steer numbers rose as they C3 types ranged from 253c to 323c, with a number of lighter C2 types selling from 228c to 239c as these cattle were 10c to 12c/kg dearer. Grown heifers mainly ranged from 240c to 322c as they were firm to 3c/kg better than last week. Manufacturing steers sold to 243c/kg. A large number of bulls mainly ranged from 200c to 233c/kg. A larger number of cows came forward and quality rose on the last few weeks, with the majority of pens being of good weight and condition. The D2 types fell 5c to range from mainly 210c to 221c/kg. The better D3 and D4 selection returned vendors from 222c to 247c/kg to be firm in price.
