comparison date 14/07/2015

There were approximately 360 cows and 14 bulls penned representing a decrease of 100 head week-on-week. There was a full field of buyers present and competing in a dearer market. Quality was mixed with most weights and grades represented and competition was very strong from processors keen to secure a share of the limited offering. The sale started off a little stronger then strengthened as it ran to finish significantly dearer. Light and medium weight cows gained 10c to 20c while the heavy weights improved 5c to 10c/kg.

Most light and medium weight cows sold from 190c to 248c/kg. Heavy weight cows made mostly between 210c and 270c/kg. Heavy weight bulls sold between 254c and 289c/kg.
