

Over the hooks report - cattle

Market information provided by MLA's National Livestock Reporting Service

New South Wales

report date

18 Sep 2015

The over-the-hook indicators lifted this week, with prices up mostly 4-12¢/kg cwt. Young cattle recorded the strongest gains, with non-MSA yearlings and MSA yearlings up 8¢ and 12¢/kg cwt, respectively. However, the NSW over-the-hook cow indicators are currently tracking 35-40¢/kg cwt below equivalent lines in Queensland, on the back of continued strong northern export processor demand.
