

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Pakenham

report date 05 Oct 2015

Yarding Change 1011
-60

comparison date 28/09/2015

There were approximately 400 export and 600 young cattle penned representing a decrease of 60 head week-on-week. The usual buying group was present and operating selectively in a cheaper market. Quality was mixed with a plainer offering of trade cattle and a better run of heavy weight manufacturing steers. The limited selection of vealers eased 10c/kg. Yearling trade steers sold from firm to 3c easier, while the medium weight feeder steers slipped 8c/kg. Yearling heifers to the trade fell 13c to 22c/kg with quality an issue but soft demand played a role. Grown steers eased 13c to 14c while the bullocks were back up to 17c/kg. Heavy weight Friesian manufacturing steers slipped 10c with the crossbred portion back 16c/kg.

The vealers sold mostly from 290c to 340c/kg. Yearling trade steers made between 307c and 330c/kg. Yearling heifers suited to the trade sold between 282c and 318c/kg. Feeder steers made from 262c to 317c with the heifer portion from 256c to 311c/kg.

Grown steers sold from 290c to 325c/kg. Bullocks made between 288c and 316c/kg. Heavy weight Friesian manufacturing steers sold between 270c and 285c with the crossbred portion between 260c and 307c/kg.
