comparison date 13/10/2015

There were approximately 350 cows and 50 bulls penned, representing an increase of 80 head week-on-week. The usual buying group was present and operating in a cheaper market. Quality improved, with a larger proportion of well covered heavy weight cows and a much larger offering of heavy weight bulls with high yield potential. Prices were generally 7c to 10c/kg cheaper for most cows and more for some light weights. Heavy weight bulls sold firm for most with the odd cheaper sale.

Most light and medium weight cows sold from 150c to 216c/kg. Heavy weight cows made mostly between 185c and 234c/kg. Heavy weight bulls sold between 256c and 341c/kg.
