

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Gunnedah

report date 10 Nov 2015

Yarding Change 2880
1840

comparison date 03/11/2015

Numbers jumped and the quality remains good. Yearlings were best supplied, with feeder orders active on all weights and grades. Processors were limited on domestic cattle but operated on the smaller number of grown steers and the 500 cows. The usual buyers operated in a dearer market.

Vealers to restock and feed sold between 295c and 358c/kg. Trade yearling steers lifted 5c to 10c, selling from 308c to 325c/kg. Trade heifers gained 3c on the medium weights and eased 5c/kg on the heavy weights, with strong competition from feeders. Heifers received from 284c to 320c/kg. Feeder steers were 10c to 15c better, selling from 315c to 348c and restockers paid to 355c/kg for medium weights. Medium weight feeder heifers were 14c stronger and heavy weights were back 8c/kg, with the limited competition from processors. Prices ranged from 285c to 337c/kg.

Grown steers and bullocks were 12c dearer, selling from 292c to 315c/kg. Medium weight cows lifted 20c and the heavy weights were 5c to 10c/kg dearer. Medium weight 2 scores sold from 222c to 242c and the heavy 3 and 4 score cows 231c to 259c/kg. The best heavy bull made to 310c/kg.
