Yarding Change ⁴⁸⁰/₃₀

comparison date 27/10/2015

There were approximately 400 cows and 60 bulls penned, representing an increase of 30 head from the sale of a fortnight ago. The usual buying group was present and competing in a dearer market for cows and easier market for the large offering of bulls. Quality was good, with heavy weight beef cows well supplied and restockers were operating on suitable lighter weighted lines. Early sales saw the best results as the market did ease as it ran. Cow prices improved 10c to 15c for most while the heavy weight bulls eased 6c to 13c/kg.

Most light and medium weight cows sold from 180c to 240c/kg. Heavy weight cows made mostly between 220c and 279c/kg. Restocking cows sold between 143c and 236c/kg. Heavy weight bulls made from 275c to 329c/kg.
